1.C. Import delivery notes/provider

May 2.016

Purchasing / Order Processing

1.C. Import delivery notes/provider

One of the coding standards is barcodes, in StarEcon you can give in your articles the equivalents to barcodes.

You can enter either the item code or the barcode during the data entry. This code will also be used in section 6.A. Quick Inventory with Bar Scanners. 1.C. Import Supplier's Delivery Notes is the correspondence with the supplier
