

6. Inventory Control / Historical

6.A. Manual Inventory / 6.B. Confirm Manual Inventory

December 2.019

ClassOne | HospitalitySoftware&Advisory

6. Inventory Control / Hostorical 6.A. Manual Inventory / 6.B. Confirm Manual Inventory

This option is available for an inventory count on any handheld terminal (Smartphone) and better if it has a built-in barcode reader.

This option is available for an inventory count on any handheld terminal (Smartphone) and better if it has a built-in barcode reader.

If an article is counted twice, it is assumed to be in 2 different places so it adds up
