How to see the last inventory date How to cancel the last inventory readjustment

FAQS

Explanation:

I mean, I want to cancel the inventory readjustment movements:

You can see them in the Outgoing Journal (Option 3.6.), I ask it only for R. That date that the Readjustment Movements have is the one to put when I am going to cancel them.

The screenshot shows the ECONOMATO software interface. At the top, there is a header bar with "Main menu" and "User: admin1". Below the header, there is a date range selection area: "DATOS desde 31.12.2013 hasta el 17.11.2016". To the right of this, there is a purple button labeled "99999999 | Inventory 16/01/2019" which is highlighted with a red box. Below this, there is a "Main menu" section with a grid of buttons. The buttons are arranged in two columns: 1. Purchasing / Order Processing, 2. External Supplies Control, 3. Warehouse Control, 4. Warehouse Control [+], 5. Kitchen Recipes - Combined, 6. Inventory Control, 7. Corporate discipline, 8. (empty), 9. Advanced. The second column contains: A. Master Files, B. Backoffice, C. Accounting Links, D. Business Intelligence, E. Expense over occupation indicators, F. (empty), G. Utilities, H. (empty), I. (empty). On the left side of the interface, there is a vertical sidebar with various icons, including a calendar showing "19/11/2020" and "11:20:28".

How to see the last inventory date How to cancel the last inventory readjustment

FAQS

To cancel the movements of a readjustment, it is in option 6.5.

A screenshot of a web-based software interface. The top navigation bar shows "Main menu / Inventory Control / Cancel movts. origin. Readj. inventory" and "User: adminc1". Below the navigation bar is a table with columns: Dept., Family, Article, Description, Final Exis., Rat./Un., and Prev. exist. The table is currently empty. On the left side, there is a sidebar with a search icon, several small icons, and a "Date" field containing "19/01/2020", which is highlighted with a red box. Below the date field is a refresh button. At the bottom of the interface, there is a dropdown menu showing "100", a red button labeled "Cancel movements" (highlighted with a red box), and navigation arrows.
