All the Class One Web 4.0 applications have this option but you must previously contract an SMS pack

You must have a contract for an SMS pack

A screenshot of the "Send SMS" interface in the Class One Web 4.0 application. The interface shows a "Main menu / Utilities / Send SMS" breadcrumb trail at the top. The user is logged in as "admin1". The date is "13/11/2020" and the time is "00:17:59". The "To" field is populated with "To (+34123456789)". The "Message" field is empty. The "Send SMS" button is highlighted with a red box. The interface also includes a sidebar with various utility icons and a bottom bar with navigation icons.
