

Hand Held Bar/Coffee shop

October 2.019

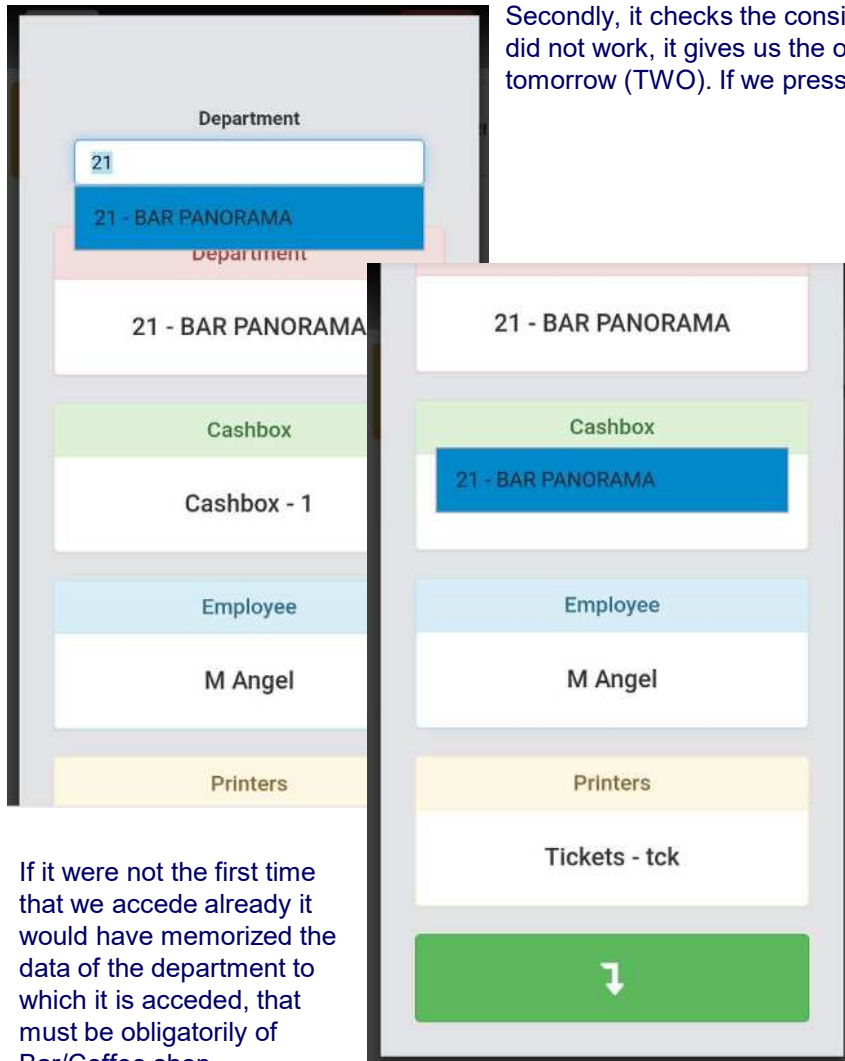

Hand Held Bar/Coffee shop (Option .1.)

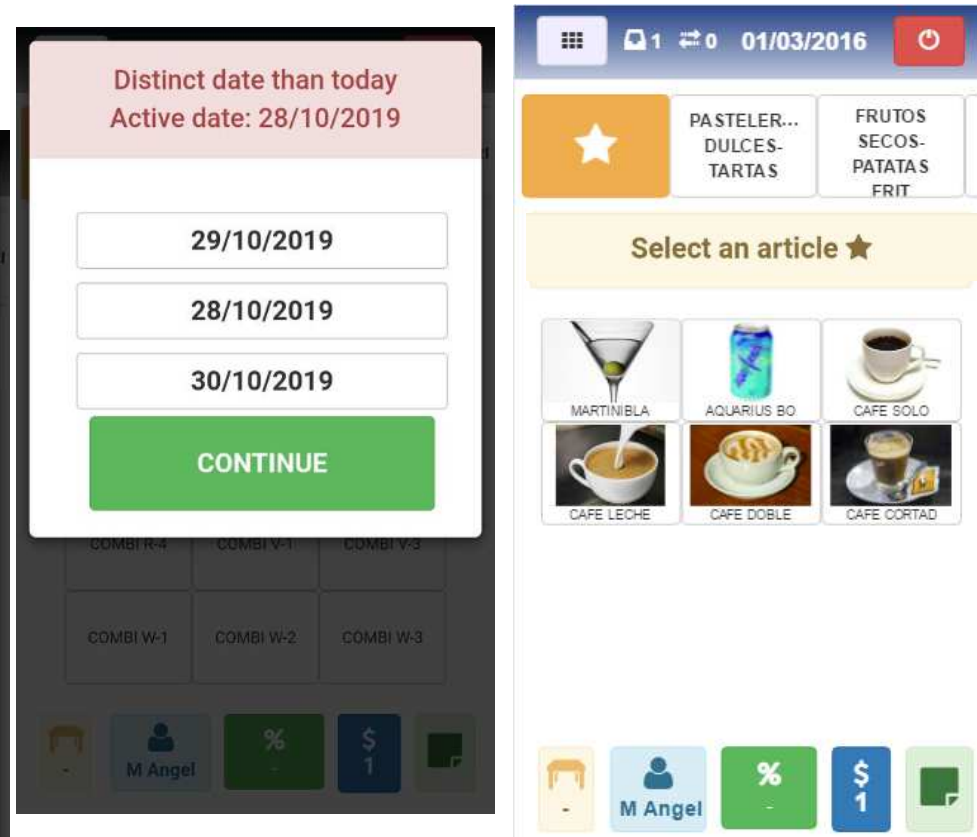

Access

Secondly, it checks the consistency of dates, in case we had forgotten to make a "Z", or if the previous day we did not work, it gives us the option to CONTINUE, or position ourselves in today (ZERO), yesterday (ONE), or tomorrow (TWO). If we press a zero, one, or two, it closes the previous movements, if any.

If it were not the first time that we accede already it would have memorized the data of the department to which it is acceded, that must be obligatorily of Bar/Coffee shop.

Next we will have the initial screen of loading and treatment of the POS - Bar-Coffee shop

Hand Held Bar/Coffee shop (Option .1.)

The image displays three screenshots of a mobile POS application interface, annotated with red boxes and lines pointing to specific features:

- Left Screenshot (TABLE 2):** Shows a table summary screen with three buttons: a green button with a Euro symbol (circled in red), an orange button with a document icon (circled in red), and a red button with a white 'X' (circled in red). A red line points from the 'X' button to the text "Print Tickets".
- Middle Screenshot (ARE YOU SURE TO CHARGE WITH CAJA 2?):** Shows a confirmation screen with a calculator interface. The total is 26.30€ and change is 0.00€. The calculator has a "Given" field and buttons for digits 0-9, a decimal point, and a "CE" button. At the bottom, there are three buttons: a red 'X' (circled in red), a green table icon (circled in red), and a green checkmark (circled in red). A red line points from the green checkmark to the text "Default form, usually Cash". A red line points from the green table icon to the text "No charge". A red line points from the red 'X' to the text "Other forms of payment".
- Right Screenshot (SELEC. PAYMENT METHOD):** Shows a payment selection screen with buttons for "CAJA 2", "VISA", "PENDING TICKET", and "SEPARATE CHARGE". A red line points from the "PENDING TICKET" button to the text "Other forms of payment".
