Tablet en las Mesas,
Smart Table (ResTTable)

Tablet/ResTTable “in site”

The image displays two overlapping screenshots of the Class One ResTTable tablet interface. The background screenshot shows a table reservation screen titled "SELECCIONE LA MESA" (Select the table). The screen features a grid of tables represented by numbered icons (21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32). A menu overlay is visible, titled "Mesa 26", listing items: "3 CHICKEN ROCKS", "1 DIPS", "1 2-3 Piezas", and "1 MENU PARA 3 - 9 PIEZAS DE POLL" (1 Menu for 3 - 9 pieces of chicken). The menu also includes a description: "9 Ailas originales + 7up (grande) + Patatas fritas (gran + Ensalada Coronel)" and icons for trash and a trash can. The foreground screenshot shows the same interface with a yellow header bar containing the text "SELECCIONE LA MESA" and a close button. Below the header are tabs for "Barra", "Terraza", "Resto", and "Mesas abiertas". The "Terraza" tab is selected. The grid of tables is visible, and a yellow navigation bar with arrows is at the bottom right. The bottom status bar shows "500309", "Javier Fernandez", "CE", and "0".
