

Change SO Status

Change SO Status

There is a sequence in the SO but still it can be produced that we have made a mistake and we have to return a SO to the previous state, for these cases we use this option

Módulos 1.1.0.0.1.1 Main menu / Utilities / Change BEO Status User: adminc1

4/2/2020
22:29:34

No. BEO: 200505 

Description: 732521

Client: POWER Natalie & Barry O'CONNELL (KL)

Date: 05/05/2020 Status: Failed
