Halls Closing

Sometimes, we will need to close a hall due to construction work or other circumstances, so that we cannot book an event there.

This closure is available from option **2. Hall Booking -> Hall Closure**

The screenshot shows the 'Halls booking' interface in the Class One software. On the left, there is a sidebar with filters for Date (05/02/2020), Halls (All), Types (All), and Status (Air, Pending, Accepted, Budgeted, Attempted, Completed, Failed). A red box highlights the 'Hall Closings' button at the bottom of the sidebar. The main area displays a calendar for February 2020. A red diagonal line is drawn across the calendar, and a red box highlights the 'Hall Closings' button in the sidebar. The calendar shows several events, including 'Kevin Roberts - Goldsoul - COSTA DEL SOUL FEB 2020' and 'Andrew Smart - SCOTTISH COUNTRY DANCE GROUP'. The 'Hall Closings' button is highlighted with a red box, and a red arrow points from it to the red box on the calendar.
