Discount for Customers in Booking Engine

Operative mechanics

If the client identifies himself, in this case his user is santiago with his corresponding password, automatically a 10% discount appears to us which is the one given in the client file

The screenshot displays the Class One booking engine interface. A login modal is open, showing the user 'santiago' and a masked password. The background shows a calendar for January and February 2020, with room rates listed. The reservation summary on the right shows a total of 170.26€ and a 10% discount of 15.23€, resulting in a total of 155.03€.
