Room Types

We must configure which are the rooms types we will have in the Extranet

The screenshot shows the 'Room Types' management interface. It features a sidebar with navigation options: Room Types, Room Facilities, Rates, Meal plans, Extras, Policies, Configuration, Hotel Information, and Languages. The main content area displays a table of room types with columns for Code, Description, Photos, Default pax, Min pax, and Max pax. Each row includes edit and delete icons. A '+ New' button is located below the table. Three callouts point to these elements: 'Edit an existing Room Type' points to the edit icon of the first row, 'Delete an existing Room Type' points to the delete icon of the second row, and 'Create a New Room Type' points to the '+ New' button.

The screenshot displays the 'Room Type' management interface. At the top, there is a header with the 'Class One' logo, a language dropdown set to 'English', and buttons for 'Manage booking' and 'Logout'. Below this, the 'Room Type' section includes input fields for 'Code' (D), 'Default pax' (2), 'Max pax' (2), 'Min pax' (1), and 'Max children' (1). The 'Photos' section shows four thumbnail images of a room, each with a red plus icon, and a green plus icon for adding more photos. The 'Room Facilities' section has a dropdown menu currently showing 'Terrace' and a red plus icon. The 'Descriptions' section features a grid of text input fields for various languages: English (Doble - Solo adultos), Spanish (Double room - Adults only), French (Doppelzimmer - Adults only), German (German), Italian (Italian), and Norwegian (Norwegian). The 'Detailed Descriptions' section contains a rich text editor with a toolbar and a text area containing a detailed description in Spanish: 'Habitaciones singulares y sorprendentes. De amplios ventanales nuestras habitaciones dobles superior son muy luminosas, y confortables, y no falta ningún detalle como corresponde a un turismo rural de 4 estrellas en Mallorca. Con una decoración cálida que transmite serenidad y confort, tienen televisor de pantalla plana, aire acondicionado / calefacción, secador de pelo, espejo de aumento, toallero calefactor, amenities y mini bar.'

Policies

Hotel Policies

A screenshot of a web application interface for managing hotel policies. The interface is titled "Policies" and is presented in two language versions: Spanish and English. On the left side, there is a vertical navigation menu with the following items: "Room Types", "Room Facilities", "Rates", "Meal plans", "Extras", "Policies" (which is highlighted with a grey background), "Configuration", "Hotel Information", and "Languages". The main content area is divided into two sections. The top section is for "Spanish" and the bottom section is for "English". Each section contains a rich text editor with a toolbar at the top. The toolbar includes icons for undo, redo, bold, italic, strikethrough, text color, background color, bulleted list, numbered list, link, unlink, table, table border, link icon, and a "Fuente HTML" button. Below the toolbar are two dropdown menus labeled "Estilo" and "Formato", and a question mark icon. The text area below the toolbar is currently empty.
