How to obtain a daily production summary.

This is the **Production Square.**

If we want it daily we will obtain it in the option **2.B. Daily Production Square**, if we want it between two concrete dates we will have to accede to the option **Alt. Menu 3.1. Production Square**.

These reports can be generated automatically at closing if they are set in Control, **Option B.7. Night Audit.** In addition, these reports are part of the LVDE.
