# Accessibility - Privileges (Rolls - Granulation)

Double accessibility

The screenshot displays the 'B.7. Setup - General' configuration page for a user named 'admin'. The interface is divided into several sections:

- Left Sidebar:** A list of menu categories including General, Connectivity, Counters, Conditional parameters, Optional parameters, Allar, Tax, Default, Reservations, and Night audit. The 'Privileges - Main menu' item is highlighted with a red box.
- Roles Section:** A list of roles with radio buttons. 'Jefe Recepción' is selected and highlighted with a red box. Other roles include Recepción, Recepción Becario, Administración, Comercial, level8, level10, and level11.
- Privilege Matrix:** A grid with columns labeled 1 through I and rows labeled 1 through I. Checkmarks indicate which privileges are assigned to the selected role.
- Right Sidebar:** A list of 'Special privileges' with checkboxes, including 'Use restricted rates', 'Allow price modify', 'Allow Discount Bookings', 'Allow Discount Invoices', 'Allow Special conditions', 'Open rates in reservations', 'Disable self invoicing', 'Generate negative/cancel invoice', 'Allow Invitation', and 'Access to client historical (Cardex)'. The 'Use restricted rates' checkbox is checked.
- Bottom Section:** A 'Restricted access' section with a grid of input fields.

An 'Add User' dialog box is overlaid on the left side of the screen. It contains the following fields and options:

- Login name:** admin
- Password:** masked with dots
- Privilege:** Jefe Recepción (highlighted with a red box)
- Option:** empty text field with a search icon
- Employee:** empty dropdown menu
- Allow to see all the menu options:** checked
- Use shifts:** checked
- Show favorites by default:** unchecked
- Graphical main menu:** unchecked

Below the dialog, a red box highlights the 'Privileges - Alternate menu' item in the right sidebar, which is also highlighted with a red box in the main interface.
